To Be of Use  
Marge Piercy

The people I love the best  
jump into Water head first  
Without dallying in the shallows  
and swim off with sure strokes almost out of sight.  
They seem to become natives of that element,  
the black sleek heads of seals  
bounding like half submerged balls.

WEEK 10  
just 3, 2010

I love people who harness themselves, an' g. to a heavy cart,  
who pull like water buffalo, with massive patience,  
who strain in the mud and the muck to move things forward,  
who do what has to be done, again and again

I want to be with people who submerge  
in the task, who go into the fields to harvest  
who stand in the long and haul in ill  
wh. are not parlor generals and field desotors  
burning in a common rhythm  
when the food must come in or the fire be put out.
